RE: Textbook Adoptions

DATE: May 16, 2016

Attached are the recommended textbook changes for the 2016-2107 school year. The proposed textbooks are replacing much older editions or reflect first-time purchases for new courses that were proposed and approved. These instructional materials appropriately support the current curriculum. Textbooks were displayed for the requisite amount of time, but there have been no requests to examine them.

Please do not hesitate to contact me if you have questions.
