**Administrative Recommendation:**

That the Wichita Falls Independent School District Board of Trustees authorizes the execution of the Utility Easements to the City of Wichita Falls to allow future access and the final approval of the Platt regarding the future CTE facility on Hatton Road as recommended by Jan Arrington, CFO, and approved by Michael S. Kuhrt, Superintendent of Schools.

**Explanation:**

As part of the finalization of the CTE Platt, the City has requested they be allowed future easements to access to the sewer, water, drainage and public right of way of the road for this facility. Approval by the Board of Trustees and signature by the Board President will also approve the final Platt.

**Fiscal Note: None**
