

Activities Committee Meeting Notes
December 3rd
Monday
5:30 p.m.
District Office Conference Room

Meeting Notes:

1. Practice on holidays

The committee requested that practices not be held on Christmas Eve and Christmas Day. If practice is held on Labor Day, no student will experience less playing time by not attending practice. Students will not be disciplined, either directly or indirectly for not attending practice on Labor Day

2. Banquets at the Brewery

When student-related banquets are held in an establishment that serves alcohol (i.e. American Legion, C-I Pub (Gary's) Bridge Tavern or the Brewery), the adult attendees will be asked not to consume alcoholic beverages during the duration of the student-related banquet.

3. Review Fall Activities Participation Numbers

The participation numbers were reviewed and will be included in the board packet for December.

4. Review Winter Activities Participation Numbers

The participation numbers were reviewed and will be included in the board packet for December.

5. Wrestling Co-Ed: Rationale for calling it this (?)

Girls can go out for wrestling. Currently there are no girls out for wrestling.

6. Playing a 5th grade basketball player higher than the elementary level.

The committee provided some suggestions – including autonomy for the A.D. and follow the guidelines that already exist for 6th graders.

7. Rename the Ranger Gym to the Galovich Gym

Board members will be asked about this.
