## SCHOOL DISTRICT 26

**TO:** RTSD 26 Board of Education  
**FROM:** Jodi Megerle  
**DATE:** 2/5/2026  
**RE:** NSSEO Operational Committee Update

### 1. General Updates

- The Operational Board reviewed our meeting calendar again. It's currently not the best cadence of meetings, so we need to adjust. Since it's difficult to switch mid-year, we'll adjust in July.
- Staffing - 99% filled with ESPs, job fair last month, 21 people attended and hired 12 of them.
- Negotiations meeting tomorrow 2/6.
- Teaching and Learning reviewed January inservice feedback data, and task force update (strategic plan)
- NSSEO got a grant for \$500,000. Perhaps looking at facility updates to Miner.

### 2. Recommendations to Governing Board/Formal Votes

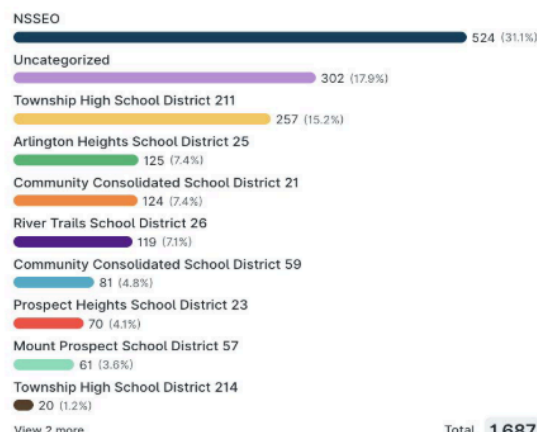

- None

### 3. Additional Notes or Observations

- Below are some data snips from January's inservice that NSSEO planned. For a district our size, we offered a number of staff purposeful professional learning through this partnership - something RTSD26 could never afford to do solo.
- Closed session: Negotiations Update
