CCSD is partnering with Klawock City School District, Southeast Island School District, and the POW Vo Tech Center on an Alaska Native Education Program (ANEP) grant. The purpose of the grant is to bring more innovative CTE programming to POW island school districts and expose our students to college and career opportunities. The grant will utilize ZSpace simulators that will allow students multiple experiences and earn industry certifications. The grant will also utilize a CDL simulator that will supports students working toward a CDL certification immediately opening them up to career opportunities upon graduation.

This grant application aligns strongly with CCSD Strategic Plan, namely, “Expand CTE – Increase the number of CTE course offerings by two courses annually ensuring alignment with major local industries...” Included with this memo is the draft grant application that will be submitted on May 3, 2021.
