

OPERATING FUND FINANCIAL PROJECTIONS
2025 – 2028

Regular Board Meeting
November 20, 2023

River Forest Public Schools District 90
Operating Fund Financial Projections 2025 – 2028
Significant Assumptions

EDUCATION FUND BUDGETED RECEIPTS

1. Property Taxes for 2025 are projected using the appropriate CPI of 5.0%. Property Taxes for 2026 are projected using an estimated CPI of 3.7%. Property Taxes for 2027 - 2028 are projected using a CPI of 3.43% (average of previous four year's property tax CPI). As part of a levy strategy, for tax years 2024 and 2025 (fiscal years 2026 and 2027), due to declining fund balances in the Operations and Maintenance Fund, that fund's tax levy will increase to \$2,500,000 each year. Subsequently, it will return to \$2,000,000. As part of another levy strategy, for tax year 2023 (fiscal year 2025), also due to declining fund balances in the Transportation Fund, that fund's tax levy will remain at the increased amount of \$1,000,000. Subsequently, it will be decreased down to \$575,000. Finally, the Life Safety Fund tax levy has been eliminated as all approved Life Safety projects are complete and paid for.
2. State Aid is based on the Evidence Based Funding Formula where District 90 remains a Tier 4 district. As such, due to its adequacy percentage, the District is only eligible to receive 0.1% of any additional funding from the state. Federal Aid is projected without any new funding.

EDUCATION FUND BUDGETED EXPENDITURES

1. The teachers' collective bargaining agreement took effect in August of 2021 and runs through the end of fiscal year 2025. Salaries for 2025 through 2028 are shown using increases of 3.7%, 3.0%, 3.0% and 3.0%, respectively (estimated CPI for 2025 and an estimated CPI floor used in the current CBA for years 2026 through 2028). Salaries reflect the approved retirement requests of veteran certified staff members and their replacement with new members with average salaries. The new teacher aides' bargaining agreement took effect in August of 2022 and runs through the end of fiscal year 2026. Salaries for 2025 through 2028 are shown using increases of 3.7%, 3.0%, 3.0% and 3.0%, respectively (estimated CPI used for 2025, the CPI floor used in the CBA for 2026, and an estimated CPI floor used in the current CBA for 2027 and 2028). Salaries for the remainder of the employees for 2025 are projected using an average increase of 3.7%, and salaries for 2026-2028 are projected using an average increase of 3.0%. Changes in enrollment are not factored into the projections.
2. Employee Benefits for 2025 – 2028 are projected using an 11.5% increase in insurance costs with the current negotiated limited board contribution for post-2013 members factored in. We chose to eliminate the financial projection of a potential pension cost shift as the discussions have been non-existent in the legislation over the last three years.
3. Purchased Services and Supplies and Materials are projected with consideration for annual contracted professionals, an annual curriculum review, projected textbook adoptions and the associated professional development for staff.
4. Transfers Out are limited to inter-accounting transfers that coincide with the expectation of continued leasing of copier and computer equipment.

OPERATIONS AND MAINTENANCE FUND BUDGETED RECEIPTS

1. Property Taxes for 2025 – 2028 are projected using the levy projection and allocation strategy listed in the Education Fund.
2. Other Local Receipts remain relatively constant due to their immateriality.

River Forest Public Schools District 90
Operating Fund Financial Projections 2025 – 2028
Significant Assumptions

OPERATIONS AND MAINTENANCE FUND BUDGETED EXPENDITURES

1. Salaries for 2025 are projected using an average increase of 3.7%, and salaries for 2026 – 2028 are projected using an average increase of 3.0%.
2. Employee Benefits for 2025 – 2028 are projected using an 11.5% increase in insurance costs.
3. Capital Outlay for 2025 – 2028 is projected to fluctuate to coincide with the long-range facility plan for non-Life Safety items. In addition, projected amounts include potential recommendations from the Safety and Security Committee.

TRANSPORTATION FUND BUDGETED RECEIPTS

1. Property Taxes for 2025 – 2028 are projected using the levy projection and allocation strategy listed in the Education Fund.
2. State Aid is projected to increase at a rate consistent with higher costs.

TRANSPORTATION FUND BUDGETED EXPENDITURES

Special Education Transportation is projected to fluctuate due to the projection of out-of-district children enrollment coinciding with our annual transportation contract with our vendors. In the previous year, we negotiated away any additional fuel escalators and COVID cleaning costs. Costs continue to project at high levels and we will continue to monitor the revenues required to fund them.

WORKING CASH FUND BUDGETED RECEIPTS

1. Property Taxes for 2025 – 2028 are projected using the levy projection and allocation strategy listed in the Education Fund. However, receipts remain steady due to the levy allocation strategy to allow for a minor growth of existing reserves.
2. Interest projected from 2025 – 2028 is based upon the remaining average available balance, which is higher due to the recent bond sale.

WORKING CASH FUND BUDGETED EXPENDITURES

No transfers will be needed to cover any other fund deficits. However, as deficit spending increases over time, the necessity to use these reserves to cover fund deficits may become apparent.
