Board Meeting Date: 18-Sep-24 Superintendent Dave Valenzuela

Administrator/Staff: Maximillian Jones

Type of Item: ☐ Informational ☒ Action

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

The North Valley Band and Choir will be traveling to Anaheim California to participate in the Disneyland Imagination Campus Music Festival on April 24-28, 2025. The group will consist of approximately 60 students and 10 chaperones. The first day will be a travel day from North Valley High School to Anaheim. The second day will be a rehearsal, performance, and clinic day at the festival. The third day will be a free day at California Adventure. The fourth day will be a free day at Disneyland. The final day will be our return travel day from Anaheim to North Valley High School. I would like the board to decide if the band and choir may travel to Anaheim California for this trip.

Provide history/background information on your proposal:

Two years ago The Band and Ensemble Choir traveled to Anaheim California and participated in the Anaheim Heritage Music Festival which was great and successful trip. But it did come at its cost. Because it was apart of the Worldstrides organization the cost for the trip was very high only allowing us one day in the park. This time we will be going a differently direction and working directly with Disney for our performance experience, bring cost down and providing more of an experience for the students. The band and choir are planning on fundraising all funds for the student to make this trip possible, chaperones will be asked to pay their own way. This event would be a way for them to be together and travel back to Anaheim California for a new festival experience and enjoy a few deserved days in the park.

List the advantages of your proposal:

-The students get to prepare for a festival and have the chance to perform in Disneyland. - Fundraise for the trip, the trip will not happen without all the students helping to fundraise the money. -Hear other groups from around the country and listen to what other students their age are playing and performing. -Become closer as an ensembles and a music program. -Enjoy Disneyland/California Adventure after all their hard work.

List possible disadvantages of your proposal:

-The group would not be able to riase the funds for this trip. -The student will not get to have this experiance.

List possible alternatives that could also offer a solution to your proposal.

Why were they not recommended?

Another festival could of been proposed to insted but it is a festival that this group has been to before, so it would not be anything new. The main reason for choising this festival is because of how high the reward is. Travel to California, perform in Disneyland, and spend a few days in Disneyland/California Adventure.
