BUDGETARY INFORMATION:

BISD buys food and supplies through the Region 20/13 Cooperative based in San Antonio. The Coop Administrator has predicted that food and supplies will rise at least 10% on the next bid cycle. Many suppliers are raising prices due to the increase in fuel cost, natural disasters, and poor market conditions. The Child Nutrition Department is a self-supporting department within BISD. The department offers quality nutritious meal to all students and staff members. The department relies on revenue from USDA reimbursements, students \$ staff members w/ a la carte sales.
