

HIGH SCHOOL BOUNDARY ADJUSTMENT PROCESS

PHASE II

The High School Boundary Committee completed its work on March 17, sending their final [proposed boundary map](#) and [student transition recommendations](#) to Superintendent Jeff Rose. Dr. Rose will be reviewing the recommendations over the next several weeks and accepting public comment prior to presenting his final recommendations to the School Board.

Public Comments

Supt. Rose will read and consider all public comments received during April. However, he will not be able to respond to individual public comments. The District will provide updates via a variety of communication channels on the general themes of the comments being received. [Email Superintendent Rose](#).
