

January 31, 2018

Good afternoon,

I am writing to inform you of my resignation as Head Boys Varsity Coach effective January 31, 2018. It has been a privilege to coach at my alma mater as an athletics coach for the last 8 years. I was lucky enough to be coached, taught, and mentored by the same legends that are being enshrined yearly into the Athletics Hall of Fame and my hope is that I ingrained the same values and traits into my players that those leaders did to make me who I am today. Thank you again for the support and flexibility the last few seasons allowing the program to hang a banner in the same building as my father's football accolades; It may sound cheesy but it means a lot to me. From serving as a Captain in the United States Army, to my college baseball career, to my advancement in my professional career, the foundation of it all was my experiences I gained growing up in Derby. I will always be a Red Raider and if there is anything I can do to support the future of the program, school, and district please let me know.

O Derby High thy name we cherish,
