Re: Pizza Bid

On Monday September 27, 2010, 15 Franklin High School students participated in a Student Advisory Council Meeting taste panel to help determine what pizza vendors food service would use for the current school year. Vendors who bid \$6.00 or less were invited to participate in the taste test. Robert Freeman, Livonia Public Schools Board of Education member, assisted me with the taste test. Students graded the pizzas on appearance, taste and overall quality.

I recommend the following top scoring 5 vendors to service our district based on the results of the student taste test :

1. Cottage Inn Pizza
2. Cebella's
3. Little Caesar's
4. Happy's
5. Domino's
