

Lincolnshire-Prairie View School District 103

Memo

To: Board of Education
From: Scott Warren, Ed.D.
Date: May 14, 2026
Re: Classified Salary Increases for 2026-2027

I recommend the following salary increases for classified staff for the 2026-2027 school year:

- Transportation - 4%
- Classified - 4%

The increases are within the range of the consortium and area district increases and will keep salaries competitive in Lake County. I recommend the Board approve the increases as presented.
