Dear Members,

On behalf of the staff, students, and families of Nehalem Elementary School, I extend a special thank you for your generous donation of \$300 to our Family Resource Center.

The generosity you bestow upon our program is amazing. Thank you for your continued support and recognition of the students and families who rely on community assistance. Often times it's simply the gift of new shoes, a bag of food, or even "fun" underwear that puts a huge smile into the hearts of our children, and hence their parents. Your donation will allow me the pleasure of giving out many of those smiles on an "as needed" basis - thank you so much!

I repeat often the famous African proverb, "It takes a village to raise a child." Our community is a village full of organizations and individuals to which I'm proud to belong. Together we shall all help to nurture and guide our future generations.

Sincerely,

A handwritten signature in black ink that reads "Linda Hershey". The signature is fluid and cursive, with a long horizontal stroke at the end.
