Re: April 2014 TAKS Exit Level Retests Results

The attached chart represents the results of the April 2014 TAKS Exit Level Retests for South San Antonio High School. The retests were administered April 21-24, 2014.

These results are official and were posted by the Texas Education Agency (TEA) on May 13, 2014. Copies of the Confidential Campus Rosters and Summary Reports have been provided to South San Antonio High School and to the Office of the Superintendent.

South San Antonio High School personnel have notified students of their results. Those students who only needed a TAKS test for graduation and passed during this retests administration will be awarded a diploma as part of the class of 2014. The next retesting opportunity will be the week of July 7-10, 2014. Those students who pass their TAKS tests during the July administration will be a part of the August Class of 2014 graduation ceremony.

If you have any questions, please contact me through the Office of the Superintendent. Thank you.
