#### **Athletic Student Travel Plan**

If number of students competing is different from number of students traveling, please explain.

**With having an odd number of qualifiers we will need to bring a practice partner to warm up with a wrestler.**

If departure time is in advance of the estimated travel time necessary, please explain.

**We need to check into the hotel check weight and have excess time to be sure we get to weigh ins on time and have everything needed to compete Friday afternoon.**

What is the process to be sure all students participating met eligibility requirements.

**Checked in with athletic secretary Lawanda Cooper**
