TO: Members of MVSEC Executive Advisory Board

FROM: Carla Cumblad, Executive Director

RE: Fit For Kids Grant Award

The Kane County Health Department has awarded MVSEC a grant of \$4,612 to fund the Improving Physical Fitness and Social Skills through Play Project. The grant will allow us to purchase additional playground equipment and measure the effects of pro-social play on the attitudes and behaviors of students in the New Directions Program at the Mades-Johnstone Center.
