

## **SCHOOL DISTRICT OF SHOREWOOD**

832.1

### **POSSESSION, DISTRIBUTION AND USE OF CIGARETTES AND OTHER TOBACCO PRODUCTS**

All individuals (District students, District employees, contractors, members of the general public, and any other person) are prohibited from smoking cigarettes or any other tobacco product and/or other smoking material, and from using any tobacco product in or on District premises or property.

District students are further prohibited from possessing and/or distributing, directly or indirectly, cigarettes and/or other tobacco products to other District students in or on District premises or property, or while participating in any school activity off District property.

Smoking/use of cigarettes and other tobacco products in or on District premises or property is unlawful under state and local law, as is possession of cigarettes or other tobacco products by minors in or on District premises or property.

Any person violating this Policy and engaging in unlawful conduct may be subject to referral by the District to law enforcement agencies for enforcement action in accordance with federal, state and/or local law. In addition, any District student or employee who violates this Policy is subject to disciplinary action by the District. Student disciplinary measure may include, but are not limited to, suspension or expulsion.
