## Cougar News

### Please Keep Us Informed

It is essential that you keep the school informed of address changes, phone number changes, and email changes so that we can communicate with you about your student. If anything has changed since the initial enrollment forms were filled out (usually September) be sure to call the school and make those changes.

### Access to Student Assistance Programs In Reach of Everyone

Are you aware of anyone interested in encouraging our students to seek further education upon graduation? The ASPIRE program is in need of volunteers willing to work with students a few hours a month. If you know just the right person; a person who is willing and able to guide a student through the sometimes confusing and tedious college and scholarship application process, please have them contact Ms. Bitto at [linda.bitto@threerivers.k12.or.us](mailto:linda.bitto@threerivers.k12.or.us) or 541-592-2116 ext. 228.

### AFTER SCHOOL TUTORING AND HOMEWORK HELP

We are now offering after school homework help **four** nights a week, Monday—Thursday from 3:45—5:45. The afterschool bus will transport students home on two of those nights—Monday and Wednesdays. Students who are staying for after-school tutoring and who are riding the bus are expected to stay in the classroom the entire time. Students who are walking, being picked up, or driving themselves may leave when they are finished working. **Students may not leave the campus and return later.** Students are given a 15 minute break and snack about 4:30. There is no cost for this snack.

No student will be allowed to ride the activity bus if they are not in an after school program or a sport. We will tell the bus drivers to transport the student home, but a referral will be written, followed by consequences.

Students are required to sign in and out. If you are assuming your child is coming to after-school, you may call the school the following day to check on attendance. Many students could benefit from this extra help, so encourage your students to attend if they need the extra help.

Additionally, the computer lab is open every night between 3:30 and 4:45 Monday—Friday for student use. This time is intended for school related research and typing of reports and papers.

### 21st CENTURY LEARNING AFTER-SCHOOL CLASSES

#### RETURNING 3RD TRIMESTER

We are excited to be able to offer some after-school learning classes for IV students the 3rd trimester. Tell your students to watch for sign up sheets next week. There are lots of exciting choices for fun and learning.

## SYNERVOICE

After receiving an automated call concerning your student's absences from our new phone messaging system, Synervoice, please call the school in the morning to clear your student's absences. The number is 541-592-2116; ask for the attendance office. It is very important for you and your student to have these absences cleared. Students end up doing lunch detentions for uncleared absences.

We will sometimes use Synervoice to send out important messages about school closures and school events. When you get a call from the school using Synervoice, it is important that you say "hello" as this triggers the message. If you have voicemail, it will leave a message. If you have email registered with the school, we will often send emails as well.

Re: & Sober Grad Night 2012

To Whom It May Concern:

This letter is sent to you on behalf of the Illinois Valley High School graduating class of 2012. Graduation is rapidly approaching and we are seeking the help of our community in order to make the Safe & Sober Grad Night 2012 a successful event.

To give a little background information the Safe & Sober Grad Night event is held at Illinois Valley High School from 10:00p.m. to 5:00a.m. on graduation night, this year being June 7<sup>th</sup>. The Commons and gymnasium are used to host various activities such as having a DJ available, RockBand, photo booth, ping pong, etc. for the senior students and free food and beverages are made available through-out the evening. There is also a raffle for those participating seniors and the prizes consist of great items that are very valuable to young adults and college seekers i.e. microwaves, bedding, small refrigerators, reading lights, laundry hampers, laptops, and gift certificates to Wal-Mart, Staples just to name a few. This event is a great way for the students to reminisce with their friends one last time before their new journey begins and most importantly to be able to celebrate their accomplishments in a safe and sober environment!

We will be organizing several fundraisers through-out the year which include hosting a dinner at Bridgeview Vineyards, bagging groceries, Bingo Night, Golf Tournament, hosting the Winter Ball, etc. We realize that our local businesses get hit hard through-out the year with various groups asking for donations; however without your support we would not be able to fund this important event. There are several ways that you could lend your support for our event. If interested please complete the bottom portion of this letter and return to the address listed above.

## Front Office Notes

Please remember that Emergency Contact information on student registration forms are only in case of emergency and cannot be used as a list of people that may check a student out of school. If your student needs to be checked out of school by someone other than the main contact person/people the office will need that information a minimum of 48 hours in advance.

## Sparrow Assembly

Here is a fantastic story of the Sparrow Club at work. Crater High School adopted a Sparrow with Cystic Fibrosis, Carly Christensen, earlier this school year. A gentleman in Eastern Oregon saw her story on Facebook and donated money to the family. The family had heard about IVHS working to adopt Keira, who also has Cystic Fibrosis, and asked to become one of our major sponsors. So a Sparrow is helping another Sparrow. It is AMAZING! We are excited to have the official "adoption" ceremony at an assembly on March 14th.

## Service Opportunities

March 17<sup>th</sup> – Chamber Awards Dinner – serving food – 5-10pm  
 March 31<sup>st</sup> – Tree planting with the BLM

Students need to be able to get to and from the service activities. Please see Mrs. Butler for more information and to sign-up! Be watching for more opportunities in April and don't forget about earning a Varsity Letter for Service by completing 90 hours of community service from September 1, 2011 to May 31, 2012!

## PROGRAM TO HELP HOMELESS STUDENTS AND FAMILIES

Dear Parents/Guardians,

I am Barbara Gamble, the Family Advocate for Illinois Valley High School. The purpose of the Family Advocate is to help students overcome barriers to success. I will help students acquire jackets, clothes, school supplies, hygiene supplies, glasses, dental appointments, haircuts, etc. I will also advocate for students: For example, helping them get testing or counseling, acquiring birth certificates, arranging for extra tutoring and other related services.

In addition, there is a federal law called the **McKinney-Vento** which gives additional assistance to students that meet the federal definitions of "homeless" these include:

- Living in a home with no heat or running water
- Staying with friends or other relatives due to economic hardships or loss of housing
- Fleeing a domestic violence situation
- Living in a car, van, bus, tent or other non-permanent structure

Living in one of the above situations may also entitle a student to:

- Transportation to their home school should homelessness require a move
- Immediate enrollment, even if there are issues, such as not having in hand:
  - o A birth certificate(s) for the child (ren)
  - o Immunization forms

Please help me identify any students with specific needs that may be in your care. Do you have a student that may benefit from the services listed above? If so, please list the student's name and specific needs.

Needs clothing/shoes: \_\_\_\_\_

Needs a haircut: \_\_\_\_\_

Please return this completed form to the office.

You can contact me by phone at 541-592-2116 between 8:00 Am and 2:30 PM.

## Your child or teen can have health coverage.

We know an education is the best gift we can give our children. We also know that healthy kids learn better and healthy kids start with health coverage that their families can afford.

Healthy Kids is Oregon's newly expanded no-cost and low-cost health coverage program for uninsured kids and teens up to 19 years of age. Healthy Kids is comprehensive coverage offering medical, dental, vision, prescription, and behavioral health coverage.

No family makes too much money for Healthy Kids. Parent's income will determine whether a child is eligible for the no-cost or low-cost coverage option. For example, a family of four that earns as much as \$67,200 a year may qualify for low-cost coverage.

# THREE RIVERS SCHOOL DISTRICT

## INCLEMENT WEATHER PROCEDURES

If inclement weather exists, or is forecast to exist in our school district the feasibility of providing home-to-school transportation will be discussed between the First Student busing Manager and the Director of Transportation no later than 5:30 AM. The Director of Transportation will recommend a course of action (delay the start of school(s), close school(s), or keep school(s) open) to the Superintendent.

**Utilizing the new Synrevoice automated calling system, all staff, parents, substitute teachers and media will be notified of the decision. The calling system sends messages both by e-mails and telephone calls (these calls could begin as early as 5:30 AM).**

**Important note about the calling system:** It is voice activated, so the system must hear a voice when calling. This can be a live person answering the phone, your voice mail, or an answering machine. But it will not activate simply upon lifting the receiver on the phone and just listening without saying anything. This is an automated system; an attempt to call back the identified number will not be successful. Please take the time to listen to any message left in its entirety.

All closures and/or delays will also be posted on our District website.

- If a two-hour delay is announced in a particular school or area, then school will start two hours later than the regularly scheduled time. All bus pick-up times will be two hours later than normal. School will conclude at its regular time.
- You are also advised to tune in to radio stations KAJQ, KLDR, KRWQ and KBOY and TV stations KOBI (5), KDRV (12) and KTVL (10) for updates and in the event you don't have phone or internet service.
- Athletic activities, school events and other scheduled field trips could be canceled if inclement weather is a concern.
- Sometimes weather conditions leave some roads blocked or unsafe to travel, but school is still being held. Under these circumstances "straight line routes" will be run. Please refer to the "Straight Line Bus Route" attachment for your attendance area for this information.
- If you live on one of the roads the buses cannot travel, you may bring your student to the nearest intersection of the main road traveled. This will also be the stop for the afternoon drop off.

**It is very important that you keep the school informed of your current phone number and e-mail address to assure proper notification.**

### **ADVERSE WEATHER CONDITIONS—Straight Line Routes**

Sometimes weather conditions leave some roads blocked or unsafe to travel but school is still being held. Under these circumstances "straight line routes" will be run. This is the information you will get on the web page or radio/TV stations. When straight line routes are run the roads affected are listed below. If you live on one of the roads the buses cannot travel, you may bring your student to the nearest intersection of the main road traveled. This will also be the stop for the afternoon drop off.

**Start Planning Now For Academic Masters**

Academic Masters is an amazing opportunity for our students. Our students will compete against each other in the following areas: Math, Science, English, Social Studies and Music at the local competition on March 22nd. One student will be chosen in each area to represent the school at the county competition at Grants Pass High School on April 18th. Interested students should talk to their teachers or Ms. Bethany. Cash prizes range from \$300—\$1200 for the winners.
