

# TISD Terrell Independent School District

## Executive Summary Report

Date	District Guiding Pillar	
Jun 16, 2025	<b>Goal 1:</b> Student Achievement: Accelerate student learning to dramatically increase the number of students who perform on or above grade level. <b>Goal 2:</b> School Culture: Create safe and secure learning environments that focus on the social, emotional, and cultural needs of every student. <b>Goal 3:</b> Human Capital and Resources: Develop the capacity of every teacher and staff member to deliver rigorous, enriching learning experiences to every student and ensure safety of all	

**Agenda Item:** Consider the Renewal of MOU Between TISD and TSH Until Termination Date of May 29, 2028

**Summary:**

The purpose of this item is the continuance of the Board approved agreement for educational services provided to students that reside at Terrell State Hospital (TSH) for the 25-26, 26-27 and 27-28 School Years.

Upon admission to TSH, school-aged children are students living within the boundaries of Terrell ISO. Terrell ISO is responsible for providing free and appropriate educational services to these students. The Memorandum of Agreement documents the shared responsibilities that will be provided to these patients/students on behalf of the district and the TSH.
