Description: Bluebonnet Learning Spanish literacy resources are state-developed instructional materials that provide teachers with the tools to foster student success. Developed using the latest cognitive science, Bluebonnet Learning instructional materials cover 100% of the Texas Essential Knowledge and Skills (TEKS) and provide a full suite of resources including scope and sequence, daily lesson plans, and student materials. All Bluebonnet Learning instructional materials are designed to be high-quality, suitable, and grade-level appropriate.

Historical Data: SSAISD is currently using the approved TEA HQIM for tier one instruction. We will continue to use this resource as it provides the structures and support that our teachers and students need.

Recommendation: SSAISD administration recommends that the Board of Managers approve the continuation of the Bluebonnet Learning Spanish Literacy Resources for grades K-5 for the 2026-2027 school year.
