Total : 525

9th Grade - 144, 10th Grade – 131, 11th Grade – 121, 12th Grade – 129

Hillsboro High School – Student Spotlight

Hillsboro High School Senior, Deysi Fuentes, was recently awarded the Student Council District 6 scholarship of \$400 at a recent Student Council Executive Meeting. We are very proud of Deysi and all her hard work, commitment and dedication towards Hillsboro High School and the HHS Student Council. Deysi is now a candidate to win the Texas State Student Council scholarship award. We will find out the results in April.

Mr. Bodeker's Yearbook class organizes and plans the entire process as it relates to producing the Hillsboro High School Yearbook. This year, Mr. Bodeker had students submit artwork for consideration as the HHS Yearbook cover. Serena Ramirez' artwork was chosen and will appear as the 2018 HHS Yearbook cover. We are very proud of her talents and are excited to share her artwork with others. Once the image is completed and finalized, we will be sure to share the official rendering with everyone.

Hillsboro High School – Department Spotlight

State Board of Education Proclaims February Career and Technical Education Month.

The State Board of Education proclaimed February as Career and Technical Education (CTE) Month in Texas, in conjunction with National CTE Month. The board praised the exceptional work of CTE teachers and their students in programs across the state and called on all Texans to provide support for CTE programs in their communities.

The board also recognized CTE students who are participants in Career and Technical Student Organizations at the board meeting.

More information about holding CTE Month celebrations can be found at the Association for Career and Technical Education website:
