

**Action to approve the waiver application for the 2006-2007
school calendar**

SUMMARY

Request to apply for First Day of Instruction Waiver.

BACKGROUND INFORMATION / SIGNIFICANT ISSUES

Because the law states that we must apply for a waiver if the district would like to begin school before August 21, it is necessary to request a First Day of Instruction Waiver for the 2006-2007 school year.

FINANCIAL IMPACT

There is no increased financial impact on the district since historically the district has begun school before August 21.

SUPERINTENDENT RECOMMENDATION

I recommend that the Board approve the request to apply for the First Day of Instruction Waiver.
