

## **Construction Update November 10, 2008**

1. Site work for new visitor restrooms started Friday.
2. Work on additional dressing facilities at Bulldog stadium will begin in conjunction with visitor restroom construction.
3. Demolition of the pressbox will begin the middle of December.
4. New lighting and bleacher additions on the visitor stands at Bulldog stadium will begin after the soccer season is complete. Some work may begin earlier that does not conflict with soccer games.
5. Plans are being made to refurbish softball infield at High School.
