IMESD District Board Talking Points May 2016

We are heading into our final full month of the school year. Enjoy the wonderful spring activities and celebrate the multiple student accomplishments!

A major May event for our region is the Crystal Apple Awards. All 18 component school districts will honor their top teachers and classified staff. A new twist this year is the ability of a district to also recognize an outstanding administrator. Two separate events will occur:

- Monday, May 9, 4:30 PM Union County Crystal Apple Awards, Gilbert Center, EOU Campus, La Grande
- Tuesday, May 17, 4:30 PM Umatilla/Morrow Crystal Apple Awards, Red Lion, Pendleton.

Hope to see you there!
