---

Homedale Board of Trustees,

November is upon us and the weather is changing! With that we are looking forward to the Holiday season and time with family. As Thanksgiving time approaches it is critical to the academic success of our students that they stay on top of their studies and have all work turned in so that time spent with family and friends over break can be truly enjoyed. With Thanksgiving break this month it leaves us with only six weeks left in the 2nd quarter so we must make the most of each and every day we have.

The PBIS theme of the month for November is “Make a New Friend – No Strangers”. Our hope, as it has been each month, is to continue to build up our school culture as we work with students in character building and becoming well rounded productive citizens. The academic skills along with the life skills we address on a daily basis are what we feel will help our students in reaching their dreams. Thank you for your continued support of Homedale High School!
