## **CAMPUS IMPROVEMENT PLAN**

## **Clyde Junior High School Campus Improvement Plan**

### **2025-2026 Comprehensive Needs Assessment Summary**

In accordance with state and federal legislative requirements, the staff at Clyde Junior High School conducted a comprehensive needs assessment for the 2025-2026 school year. The needs assessment was conducted to identify gaps in the areas listed below. Data and findings from the comprehensive needs assessment were then used to develop the activities/strategies in the additional sections of the Campus Improvement Plan.

#### **Campus Demographics**

The staff at Clyde Junior High School include 23 teachers, 3 split-campus teachers, 10 paraprofessionals, 3 office, 1 counselor, and 2 administrators. The student population is 72% White, 2% African American, 20% Hispanic, 1% Asian, 0.0% American Indian, and 5% Two or More Races. Additionally, the campus serves 47.4% economically disadvantaged students, 22.4% special education students (SPED), and 0.2% English Language Learners. Attendance rates include: 97.1% Hispanic, 96.8% White, 96%, African American 86.4%, Two or More Races 97.4% economically disadvantaged and 96.8% SPED. The most current data indicate the campus has a 13.76% mobility rate.

The following data was reviewed in relation to campus demographics: TAPR (2024-25), STAAR Accountability Ratings, Information from Campus Site based team from the spring 2025 meeting.

Upon review of this data, several findings were noted. These findings include:

The largest special population group is Economically Disadvantaged (EcoDis). Populations of African American, Hispanic and Two-or-more races all slightly increased. The attendance rates were stable across all populations with only exhibiting minor variations in regards to percentages.

Areas of need include:

Continued improvement in attendance to reach Campus Distinctions with special attention for our economically disadvantaged, Special Education students, and Hispanic students, who have the lowest attendance.

#### **Student Achievement**

The following data was reviewed in relation to Student achievement: partly from STAAR, mostly from MAPS, IXL, BOY and EOY Assessment data.

Upon review of this data, several findings were noted. It appears that our students are struggling with reading and writing. Adjustments are being made where every student is utilizing the IXL program and academic support plans are being utilized to meet the needs of our students.

#### **Smart Goals for the 2025-2026 School Year:**

Campus Improvement Plan

## **Mathematics**

- Students will be at 4% average above the state for meets level performance on 2025-2026 STAAR.
- All readiness TEKS will be at 55% or higher on 2025-2026 STAAR.
- Students will have a combined average of at least 80% approaches (for 6th, 7th, and 8th Grade).

## **English Language Arts Reading**

Show 5% growth on domain 1 of the STAAR test in all of our ELA classes (6th grade-9th grade)

## **Science**

- Raise the percentage of students meeting Masters level criteria in 8th grade Science to at least 10% by May 2026.
- Raise the percentage of students at Approaches level in 8th grade Science to at least 85% by May 2026.
- Raise our economically disadvantaged and SPED subgroups percentage, meeting standard by 3% (system safeguards) by May 2026.

## **Social Studies**

- Raise the Approaches Level percent for all students to 70% by May 2026
- Raise our economically disadvantaged and Special Education subgroup pass rate by 5% (from previous years results) for approaches level by May 2026.
- Raise the Masters level in 8th grade History to at least 10% by May 2026.

## **School Culture, Climate, and Organization**

The following data was reviewed in relation to School Culture, Climate, and Organization: Title I parent meetings, Staff Survey, Site Based Decision Making Committee and Lighthouse Committee Meetings

Upon review of this data, several findings were noted. These findings include:

Student discipline referrals increased relative to the 2024-2025 school year. Analysis indicated the majority of the placements were from students who had high mobility rates, SPED, and were not in a stable home environment. While we have more students coming to school with greater needs, our staff continue to apply effective strategies when dealing with these students. We should continue to focus on training that helps us to improve at the classroom level of student behavioral needs to this effect,

Areas of need include:

An increased focus on our attendance rates.

Continue to develop interest for a Parent/Teacher Organization to help increase parental involvement.

Focus on positive relationship building to improve overall student behavior and academic performance.

Utilize our counselor to address the increase in emotional and behavioral issues through a proactive approach to counseling programs delivered to students.

Teachers and administrators continue to take a more proactive approach to student behavior management with parental contacts occurring frequently. This should include ongoing training that addresses student emotional and behavior support.

**Staff Quality, Recruitment, and Retention**

The following data was reviewed in relation to Staff Quality, Recruitment, and Retention:

Title I Highly Qualified Report, Campus Employment Rosters, T-TESS Evaluations

Upon review of this data, several findings were noted. These findings include:  
CJH saw 11 employee (2 teacher/coach, 1 administrator, 2 office staff, 3 aides, 2 teachers) leave at the end of the 2024-2025 school year.  
We have combined our STUCO, Lighthouse, and Climate committees in order to facilitate the needs of our students and staff better.

Areas of need include:  
Continue to support staff through support and training when dealing with student behavior issues.  
Continue to improve student achievement, behavior, and well-being, while also enhancing teacher effectiveness and parent engagement.  
Explore ideas to market and attract highly qualified teachers to the district by adding opportunities for TIA for all eligible teachers.

## CIP PART II: ASSURANCE ADDENDUM Section D

[X]	1. <b>Comprehensive needs assessment</b> – All data were reviewed for all students and student groups. The results and conclusions of this review are reflected in the SMART goals for the next school year.
[X]	2. <b>School-wide reform strategies</b> – These strategies include ones that strengthen the core academic program; meet the educational needs of historically underserved populations; increase the amount and quality of learning time; and address needs of all, but particularly low-achieving students. Examples of school-wide strategies follow: teach content-focused vocabulary terms/phrases – 20 per year, per core subject from the district's list – for all students to learn (in addition to the usual teacher-selected vocabulary words); expand effective instructional strategies, including use of technology in ways proven to increase students' engagement in learning and level of thinking about content and concepts.
[X]	3. <b>Instruction by highly qualified teachers</b> – 100% of our core content teachers are certified for the position they hold even though they have varying levels of experience. Experienced teachers give support to less experienced teachers. Parents are notified if a teacher is not certified, and the teacher must either be working toward certification or efforts continue to hire someone who is certified.
[X]	4. <b>High-quality and ongoing professional development</b> – Helping teachers provide on-the-job training and monitoring to promote teachers' professional development. Staff members participate in professional development offered throughout the year. Professional development may also be conducted on site by in-house instructional leaders and also by district instructional support staff.
[X]	5. <b>Strategies to attract high-quality, highly-qualified teachers</b> – Recruiting and retaining highly-qualified teachers is a continuous process. We closely work with our district's Human Resources administrators and network with other principals to help in this effort. Our own teachers also serve as recruiters. The result has been that 100% of our core content classroom teachers are appropriately certified for the position they hold.
[X]	6. <b>Strategies to increase parental involvement</b> – Schools engage in numerous activities to increase parent involvement in the campus's programs. Open Houses, telephone calls, and newsletters are just a few methods of recognizing parents as partners. In addition, parents are offered classes to meet their needs, for example, ESL classes or STAAR information programs.
[]	7. <b>Transition from early childhood programs</b> – Elementary schools collaborate with early childhood centers to coordinate parent and student visits to kindergarten programs. Elementary schools conduct community awareness campaigns and registration days. (Not applicable to secondary schools)
[X]	8. <b>Measures to include teachers in the decisions regarding the uses of academic assessments</b> – Numerous teacher reports are available for the teachers to access throughout the year. These reports are based on locally-developed and summative assessments. Ongoing staff development is available on site to analyze assessment data. Grade-level, content-area, team, or departmental meetings and the SBDM provide forums to discuss assessment issues.
[X]	9. <b>Effective, timely additional assistance</b> – Formative and summative assessments provide the data for teachers and administrators to monitor individual student progress so that interventions and assistance will be timely. Various live reports are available via Eduphoria and are accessible to teachers and administrators.
[X]	10. <b>Coordination and integration of federal, state, and local services and programs</b> – At the building level, federal, state and local services and programs are coordinated to address student needs best; this coordination of services and programs is reflected in the activities listed in the campus goals and strategies.
