 2. The procedure for applying for a waiver, and the name, address, and telephone number of the person to contact for information concerning a fee waiver.

Procedures for Resolution of Disputes

- A. An individual who cannot pay school fees or fines may write a letter requesting a waiver of fees to the District Administrator. The letter must contain the following:

 2. name of parent(s)
 3. address of parent(s)
 4. phone number of parent(s)
 5. school where child(ren) attend(s)
 6. reason for request for waiver of fees

The District Administrator shall have the authority to review the waiver request and request such further information, if any, as deemed necessary in order to make a decision on that request.

- B. No fee or fine shall be collected from any individual who is seeking a fee waiver in accordance with the District's policy until the District has acted on the initial request or appeal (if any is made), and the individual has been notified of the decision.
- C. If the District Administrator denies a request for a waiver, then within fifteen (15) school days of receipt of the request, a copy of the decision shall be mailed or provided in an appropriate method for those without a fixed residence or experiencing homelessness.

The decision shall state the reason for the denial and shall include the right to appeal, including the process and timelines for that action. The denial notice shall also include a statement indicating that reapplication may be made for a waiver any time during the school year if circumstances change.

- D. Students experiencing homelessness shall be immediately enrolled, scheduled for transportation, or otherwise registered for school programming regardless of outstanding fines or fees. The waiver review process shall be reviewed accordingly. If the imposition of a fine or fee is not a barrier to educational program access, the student may be assessed the fine or fee.
- E. The decision of the District Administrator is final.

Nondiscrimination

The Board expects all staff members to exercise the utmost care to see that, as a result of their actions or comments, students cannot differentiate between those students whose parents are unable to purchase required instructional materials and those whose parents can.
