

UNITED INDEPENDENT SCHOOL DISTRICT AGENDA ACTION ITEM

Topic: Discussion and Possible Action to Authorize, by Resolution, the Extension of the District's Depository Contract for the 2013-2015 Biennium

Submitted by: Cordelia Flores Jackson **Of:** Purchasing Director

Approved for transmittal to school board: April 17, 2013

Recommendation:

Administration requests that the Board of Trustees authorize the extension of the District's current depository contract with BBVA Compass for the 2013-2015 Biennium, beginning September 1, 2013 and ending August 31, 2015.

Rationale:

In accordance with Texas Education Code Chapter 45, Subchapter G, a school District and the District's depository bank may agree to extend a depository contract for two additional two-year terms. This would be the contract's first two-year extension.

Budgetary Information:

To be provided for in the FY 2013-2014 and FY 2014-2015 Budgets

Ref: Depository Contract

Date: March 4, 2013

The Finance Division is recommending that the depository contract for 2013-2015 biennium be renewed with BBVA Compass Bank.

The recommendation is based on the following criteria:

- BBVA has the financial strength necessary to meet U.I.S.D.'s volume – cash balances and transactions.
- BBVA provides online banking services for all 55 accounts including balance inquiry, ACH transactions, Direct Deposits, and Payroll Deductions.
- The net effect of interest earned over charges assessed is positive.

If you have any questions, please contact me at 473-6368.

All questions in this form should be answered and provided to the District as the Depository's proposal.

The District reserves the right to reject any and/or all proposals and if any portion or provision of this proposal and/or any contract between Depository and District entered into is invalid, the remainder, at the option of the District, shall remain in full force and effect and not be affected.

BANK COMPENSATION

Does the District have the option to pay for Depository services by targeted balances or by fees? Please describe any differences in related costs to the District with either option. If the District chooses one option for the life of the contract, is there a difference in service fees?

Target Balance Compensation Basis:

The District may choose to pay for Depository services on a compensating balance basis, maintaining a targeted amount of its funds in the Depository. The District will maintain balances in the checking accounts to compensate the Depository in full or in part for services provided. Earnings credit for these balances shall be reflected on the monthly account analysis provided to the District.

Any excess collected balance may be invested daily by the Depository as directed by the District, in a District approved overnight investment, an interest bearing account, or an SEC registered money market mutual fund. The overnight investment and any index upon which the rate will be based should be listed below.

The rates proposed for the Depository:

ECR Rate:

Interest Bearing Accounts:

Money Market Accounts:

Sweep Accounts:

If any of these rates is based on an index rate (such as the T-Bill auction rate) stipulate the index calculation basis.

Fee Basis Compensation:

The Depository and District shall execute a collateral agreement in accordance with FIRREA. A sample Collateral Agreement should be attached. The District specifically excludes surety bonds as collateral.

The District estimates its maximum anticipated collateral requirement to be \$50,000,000.00, with average balances ranging \$20 to \$50 million. Amounts are subject to change and the Depository should not anticipate a specific deposit amount.

Eligible Collateral

The District requires specific collateral in accordance with its Investment Policy, available on the District's website.

BANKING SERVICES FEES

Based on the Depository services required by the District, the Depository shall complete the proposed Fee Schedule for submission on a pin drive (USB Flash Drive) with the proposal.

DEPOSITORY INFORMATION

Please answer the following questions concerning the Depository.

1. State full name and address of the Depository and any parent holding company. List all branch locations within the District's boundary.

2. Provide the UPBR reference or annual audited financial statement for the most current fiscal year. This may be in printed form, but an electronic link to the web site(s) is preferable. Members of Depository holding companies must include corporate annual financial statements and the individual Depository's call report for the most recent operating quarter.

State the Depository's rating from an independent Depository rating agency or, if not available, the rating on the Depository's senior and subordinate debt. Any change in this rating during the period of the contract must be communicated to the District in a reasonable period of time.

4. Contact Information

To insure smooth contract implementation and continuation of services, a specific account executive and a back-up must be assigned to the District's account to coordinate services and expedite the solution of any problem encountered.

a. Designate a Depository officer as a primary contact with the District.

b. Designate a Depository representative as a backup contact with the District.

c. In the event the primary and backup contacts aren't available, what is the District's procedure for an emergency contact? After hours?

d. Describe in detail how the Depository handles problem resolution, customer service, day-to-day contact, and ongoing maintenance for governmental clients. Please be specific about exactly whom the District will be calling and working with for the above described situations.

e. Will the Financial Institution provide a contact person for inquiry or discrepancies on deposits? Preferably Vault Manager

5. List references from at least three of the Depository's current, comparable governmental clients. Include the length of time under contract, a client contact, title, and telephone number.

6. Based on the services required by the District, please provide a proposed timeline for implementation of the contract including the timeline activities and direct responsibilities of the District and the Depository during implementation.

7. Provide a copy of all agreements (including those not directly referenced in this RFP) which will be required to be executed under the contract.

8. The Depository awarded the contract will be required to review the then-current District Investment Policy and certify in writing to that review in accordance with the Public Funds Investment Act certifying that the Depository has sufficient controls in place to avoid transactions not authorized by the Policy. The District has provided the Investment Policy on the District's website.

9. A pre-award interview may be conducted on site at the Depository prior to contract award. Please provide the District with a contact name for arranging the pre-award interview.

10. Is the Depository offering any transition or retention incentive to the District? If so, please describe in detail.

BANKING SERVICES

1. Consolidated Account Structure with Sweep Mechanism

The District is interested in earning at then-current interest rates available at all times. The District wants the option to use an automated, daily sweep to a money market mutual fund or Depository alternative account (if competitive) to reach its full investment goal.

The District maintains approximately 58 accounts which include 50 student club accounts, 1 General Funds, 1 Debt Service, 1 Construction, 1 Food Service, 1 Tax Escrow, 1 Employees' Worker's Comp., 1 Payroll, and 1 Account Payable Clearing accounts.

The Depository shall clearly describe the Depository's most cost effective account structure (interest bearing accounts, ZBA accounts, or sweep, etc.).

- a. Fully describe the proposed account structure. Would a sweep be from a master account with ZBAs or directly swept from the individual accounts. Is interest distributed at the account level?
- b. State the average interest rate on the recommended alternative structure for the past twelve months.
- c. If an SEC registered money market fund is utilized for the sweep proposal, provide the full name and a copy of the prospectus.
- d. Interest earned on interest bearing accounts shall not be charged as an expense on the account analysis. Confirm acceptance of this condition.

The District may be required or may desire to open additional accounts, close accounts, or change account types during the contract period. If this occurs, the new accounts and services shall be charged at the same contracted amount or, if unanticipated, at not more than published rates.

2. Automated Cash Management Information

The District is interested in automated balance and detail information. Minimum automated services shall include:

- Prior day summary and detail balance reporting on all accounts
- Intra-day detail and summary balances (on local main and payroll accounts)
- Initiation and monitoring of stop pays
- Positive pay exception transactions
- Initiation and monitoring of internal and wire transfers
- Image access
- Controlled disbursement presentment totals

- a. Fully describe the Depository's on-line service. List the system capabilities (i.e. balance reporting, wires, positive pay, stop pay, etc.).
- b. What is the Depository's back-up process to provide balance reporting and transactions in case of system non-availability?

e. With regard to controlled disbursements—

-- What is the cutoff time for disbursements?

-- What Federal Reserve location do these accounts clear through?

-- How does the District have access to this information?

3. Deposit Services

Standard commercial deposit services are required for all accounts.

The District expects all deposited checks to clear based on the Depository's current published availability schedule, but any expedited availability options should be noted in the proposal. All cleared deposits received by the Depository's established deadline must be processed for same day ledger credit. Failure to credit District accounts in a timely fashion will require interest payment reimbursement to the District at the then-current effective Fed Funds rate, or contract interest rate, whichever is higher. The District requires that all deposits be processed at one location and to be validated as one deposit (no multiple credits of deposits coins/currency/checks, nor post verify credits)..

a. What is the Depository's daily cut-off time to assure same day ledger credit?

b. Describe how and when credit/debit advices are sent to the District?

c. What type deposit bags are used/required? Are these available from the Depository?

d. In what city does item processing occur?

e. Describe bank procedures when dealing with discrepancies on deposits.

f. Will the Financial Institution provide a copy of the courier manifest?

g. The District collects validated deposit slips. How will the Financial Institution provide the District with a copy of the validated ticket? How often?

The Depository will be required to provide book-entry safekeeping services for any securities owned by the District. All District investments will be made by the District and instructions for clearing and safekeeping will be transmitted to the Depository in writing.

All securities must be cleared on a **delivery versus payment (DVP)** basis and ownership documented by original clearing confirmations and safe-keeping receipts provided within one business day of the transaction. Funds for investments will be drawn from a designated District DDA account. All P&I payments, coupon payments, and maturities must receive automated same day collected credit on the District designated account without requiring any additional District action.

11. Collateral Requirements

All the requirements, including those beyond the Public Funds Collateral Act, as stated in the District's Investment Policy and below, must be met by the Depository. The proposal must state agreement to the following terms and conditions.

- All collateral pledged to the District must be held by a custodian or permitted institution as specified by the Public Funds Collateral Act (Texas Government Code, Chapter 2257)
- A tri-party safekeeping agreement shall be executed between the District, the Depository, and the safekeeping bank for custody of pledged securities in full compliance with FIRREA requiring a Depository resolution. (Or completion of Circular 7 if the Federal Reserve is acting as custodian. Use of the FRB will still require a depository agreement be executed between the District and the Depository.)
- All time and demand deposits above FDIC coverage shall be collateralized at a minimum of 110% of principal plus accrued interest at all times.
- The Depository shall be contractually liable for the continuous monitoring and maintaining of collateral at the District's required margin levels.
- Pledged collateral shall be evidenced by original safekeeping receipts/report sent directly to the District by the custodian within one business day of receipt.
- The District shall receive a monthly report of collateral pledged including description, par, market value and cusp, at a minimum.
- Substitution rights shall be granted if the Depository obtains the District's prior approval and if substituting securities are received before previously pledged securities are removed from safekeeping.
