

MEETING DATE: November 12, 2018

AGENDA ITEM: Bond Planning and Process Update

PRESENTER: Dr. Susan K. Bohn, Superintendent & Earl Husfeld, Chief Financial Officer

Background Information:

Due to the rapid student growth in Aledo ISD, the Administration and Board of Trustees has begun the discussion about looking forward toward planning for facilities to meet the learning needs of our students. At Board meetings on October 15, 2018 and October 17, 2018, the Administration and Board have discussed the bond planning process that would take place prior to a potential November 2019 bond election.

Administrative Considerations:

The Administration and Board have discussed, studied, and shared with the community demographic and financial data that is informing our planning for growth. The bond planning process will involve a citizens committee that will make a recommendation to the Board, and structures for the committee to have access to input from students, staff, parents, and community members. During the November 12, 2018 regular Board meeting, the Administration and Board will discuss the bond planning process.
