May 2010

7th Grade Field Trip – Seventh grade students will be going on their annual field trip to Austin and San Antonio on May 12th, 13th, and 14th. They will visit Inner Space Caverns, Bob Bullock History Museum, The Capitol, Buckhorn Museum, The Alamo, Ripley Believe It Or Not, River Walk, IMAX Theater, and Sea World.

8th Grade Celebration – On May 13th, the 8th grade class will be going to Amazing Jakes to celebrate leaving Middle School and moving on to High School.

6th grade Reading – Students are reading the novel Island of the Blue Dolphin. Technology is also incorporated by watching live cameras at the Monterey Bay Aquarium to study the otters and other marine life.

8th grade Science – Students are starting a project designing and redesigning car models. Students from each class period will have a car race to see which group made the faster car.
