

## **TRANSPORTATION BOARD REPORT FOR NOVEMBER 2022**

**SUBMITTED BY: WAYNE BULL CALF**

So for the month of November, the mechanics have completed 40 plus work orders, and are now switching summer tires to all season tires, And some will need new tires depending on conditions of the tires when the shop inspects them, the shop is busy getting all route buses ready for December inspection, we now have 3 coach buses that are up and ready, The security vehicle that was in an accident a month ago was listed as a toddled, All vehicles that are being checked out district wide all checkouts will be inspected before going out so please clean the vehicle when they r returned.

Disciplinary has had 24 write ups for the month of November, transportation is now starting something new to work with are students, Fighting is a automatic kick off no expectations, bullying, Vaping/ Smoking, Horse play there will be a 5 day probationary with a assigned seat and an Apology letter wrote to the Transportation or bus driver.

This is to give a student another chance, because when a parent or grand parent beings a student for reentry we hear the pain of no gas or any means of transportation that's the student caused due to their bad decision.

Trips for November count is 40 trips, there were a few cancelled due to the weather and other foreseen reasons. We are all looking forward to the up coming months of winter sports.
