

VI. C. RECOGNITIONS

The United Way Recognition

This past year, the Tupelo Public School District set a record for United Way donations, surpassing \$50,000 for the first time. They want to recognize the district for this achievement. Russ Wilson and Mary Ann Plasencia will be on hand to make the recognition.

The Stock Market Game

Under the direction of gifted teacher Nancy Barrett, Milam Elementary won the 16th Annual Capitol Hill Challenge, a stock market game sponsored by the Security Industry/Financial Market Association. Supported by the Charles Schwab Foundation, the Top 10 team was recognized in Washington D.C., at the Rayburn House Office Building on Capitol Hill. Milam was the only elementary school in the top 10, posting better results than four high school teams, three middle school teams, one junior and high School team and a vocational technical school.
