Mr. Robinson:

It is with regret that I inform you that I am resigning my position of Alternative Diploma Coordinator. At this time I find it impossible for me to continue in this position.

I am willing to continue to work on Monday nights to facilitate instruction by Rex as a guest speaker in the program under my licensure, but can no longer continue to work the 16 hours per week and handle the administrative duties of this position.

I am giving a three week notice, making this resignation effective as of February 1, 2014.

Thank you for the opportunity of the past 10 years.

Deanna Erickson
