OUR FARM TO SCHOOL GOALS

Specific to Lakeview

- 1  **INCREASE LOCALLY GROWN ON THE MENU**
Expand the use of locally grown and produced foods in our school meals.
- 2  **AG IN THE CLASSROOM**
Integrate agriculture education into classroom learning across all grade levels.
- 3  **USE OUR WORKING GREENHOUSE FOR HANDS-ON LEARNING**
Provide real-world experiences through growing, exploring, and discovering.
- 4  **POLLINATOR GARDEN**
Support pollinators and teach students about the importance of healthy ecosystems.
- 5  **SCHOOL GARDEN**
Grow, learn, and harvest together while connecting to healthy food and our community.

WHAT WE ARE DOING

-  Serving locally grown foods in our cafeteria.
-  Farm to School education.
-  Using our working greenhouse for hands-on learning.
-  Starting a school garden program.

Together, we can grow a healthier future!
