

**Consider approval of Education Service Center, Region 20 contract  
May 13, 2024**

1. Background:

Board Policy CH (Legal)(Local) determines procurement methods and dollar thresholds. The district has received two grants (Strong Foundations Planning Grant and HQIM Immediate Implementation Grant). As part of the grant, the district will contract with Region 20 to provide support and staff development.

Region 20 will be supporting the implementation of the new math curriculum (24-25) and the new reading curriculum (25-26).

2. Process:

The Education Service Center has prepared the contract for these grants. The executed contracts must be sent to the Texas Education Agency by May 17th, so we are asking for approval for Superintendent Chohlis to be able to execute the contracts once we receive the contract from Region 20 early next week.

3. Fiscal Impact:

\$349,360 grant funded

4. Recommendation:

Approval for Superintendent Chohlis to execute the contract with the Education Service Center, Region 20 in the amount of \$349,360.
