

# Adult Education

February 24th Board Meeting

Learning: We believe all students deserve high-quality, engaging learning experiences that honor the potential in each student.

- Create a dynamic learning environment.

Priority 3: Focus on  
Community Engagement,  
Transparency and Trust

- 3.1 Augment community partnerships
- 3.2 Increase engagement with all parents
- 3.3 Increase transparency and trust
- 3.4 Improve communication strategies and community engagement efforts to share relevant information, celebrate achievements, and increase participation in district events. (BG 24-25)

# GED Program

Academics	Attendance Rate	Wait List
20 students enrolled	77.4% Avg. Daily Attendance	127 applicants on a wait list
Students meet at the ISS Tuesdays & Thursdays 6PM-8PM	- Majority of students are adult members of the community who work and have families	Goal for the 2025-2026 school year is to offer 2 classes that run concurrently

# GED Program

- This year, the program piloted a former high school student.
  - Student did not qualify for graduation and REACH was not an option.
  - GED program allows this student the opportunity to obtain a equivalency diploma and continue his track of attending Lone Star College.
