Principal's General Narrative:

The month of November has been a busy one for Brackett ISD students and one in which we are extremely proud of our students. Volleyball won their first play-off game against a state ranked Leakey team that had beaten our girls earlier in the season. Our Varsity Cross Country Boys placed 9<sup>th</sup> overall in the region, while our Varsity Girls placed 2<sup>nd</sup> overall in the region, qualifying them to the State competition in Round Rock. Our Varsity boys made it two rounds deep into the play-offs losing a hard fought battle to state ranked Ganado. The UIL re-alignment numbers were posted Monday, December 2, and Brackett ISD landed in 2A- Division I, which was good news for the district. This should leave us right among the teams and the division size that Brackett resides in now. The 2A status is only because all 1A teams are now six-man districts. I believe this was great news for our district. EOC retesting has been in full swing this week and we will be looking for good results from those students. The Medieval Fair was held in the Cub gym due to adverse weather but was a huge success. Congratulations to Mrs. Schwandner and her students on this great event. UIL academics as well as basketball are now in full swing so we look forward to student success in all of those great activities.
