

COMMENDATION FORM FOR SCHOOL BOARD MEETINGS

Person(s) to be Commended:

Malachi Clark

Justification for the Commendation:

The Marine Toys for Tots Foundation initiated the Toys for Tots Youth Ambassador program in 2021 and is in its 4th year. A Youth Ambassador is a member of a select group of our Nation's youth that serve as representatives, agents and stewards of Toys for Tots. Ambassadors help raise peer-group awareness and encourage support from our younger generation. The Program spotlights "children helping children" – those that have gone above and beyond in their communities to help those less fortunate than themselves, while also engaging community members on behalf of Toys for Tots.

Malachi Clark was proudly nominated to be this years Toys for Tots Youth Ambassador.
