The 2015-17 state budget made substantial changes to state laws impacting Wisconsin public school districts—from funding, student assessments and district report cards to open enrollment and much more. As a result, school boards will need to revisit and reconsider a number of their policies.

At this workshop, learn about the specifics of the major statutory changes and implications on local district policies. Make sure your district doesn't fall behind in making the appropriate and necessary changes.

Workshops will be held immediately prior to the Regional Meetings from 4-6 pm at the same facility. Members are welcome to attend workshops in any region. Separate registration is required. The fee is \$85 in all locations.
