**Re:** Athletic Director Report January, 2017

We are back and into the swing of things. 2017 is under way and we are heading into the most exciting part of winter sports schedules.... SRV Conference Play! Looking forward to seeing how our teams do this winter season!

## Girls Basketball-

The girls' varsity has had its ups and downs. Their current record is 3-6. Losing their best player to an ankle injury has set them back. With her coming back healthy after a long break the girls look to get back on track Thursday @ Payette. Both the JV and Varsity girls had their Christmas Tourney canceled due to weather, which was a disappointment because each team was unable to play two games.

## Boys basketball-

The Varsity boys record is 2-5. They are a young team trying to gain some varsity experience on the run. Their Christmas Tourney in Nampa was also canceled. They play Baker this week, then start league play next week.

## Wrestling-

Wrestlers have competed in three different tourneys'. Coach Levinski has been working his kids really hard and preparing them in the right way. Thus far our wrestlers have won 52% of their matches. I am truly excited to see what the future holds for our wrestling team. Coach Levinski has a lot of passion for the sport of wrestling and it shows. His athletes respond well to his tactics.
