Texas School Safety Center

The Texas School Safety Center is proud to offer a new curriculum, developed in partnership with Safe and Sound Schools and Advanced Law Enforcement Rapid Response Training (ALERRT), that teaches students and staff their very own age and ability options for school safety during an active event. Based upon Safe and Sound Schools' curriculum and ALERRT's Civilian Response to Active Shooter Events (CRASE), this curriculum will be offered as a six-hour train-the-trainer session for all regional Education Service Centers (ESCs). **Due to the sensitive nature of the training, the district's School Safety and Security Committee will need to approve district staff attending the training.**
