Project Status Report

2/16/24

Accident damage to center restrooms at the Fairgrounds – Work is near complete. There will be some paint that needs to be touched up in the spring.

Partition wall at the airport- The airport manager has asked us to install a partition wall with double doors in it at the old terminal building. The wall is up with doors and drywall installed. Still some finish work on the drywall and painting to do. This project is now finished.

Caretakers House repairs- Windows have been repaired / replaced. Drywall repair is ongoing. Railings for the porch have been replaced. Flooring has been repaired. Need to put trim back on and do some painting.

Merchants Building repairs / paint- Repair / replacing of exhaust fans is complete. Other work will continue as soon as the animal control building is finished and they are moved back into their building. Work on this project has resumed and FRP has been installed in all showers.

Animal Control Building Floor- Repainting of the floor will begin after the first of the year. Materials have already been purchased. This issue was noted during a recent inspection and will bring the building back into compliance. We have moved everything into the merchants building. Grinding of the floor is near complete. Walls in the office have been repaired and will be painted as soon as grinding of the floor is complete. This project is complete.

Pool heating system repairs- Parts have been ordered and will be installed ASAP.
