**AMERICAN HEART ASSOCIATION Assemblies 10/22/25:** Kelsea presented to all grade levels. Through Kids Heart Challenge, our goal is to get students excited and engaged during a 30-minute assembly. During the presentation, I introduce our Heart Hero dogs, each representing a health-focused message—like eating well, staying active, getting enough sleep, drinking water, avoiding tobacco, being kind, showing leadership, helping others, and learning Hands-Only CPR.

**MOST Assemblies:** We had the 1st Quarter MOST assemblies on Thursday, October 23rd. They went really well and it was so wonderful to hear all of the amazing things that teachers had to say about their students.

**Staff Bingo Night:** District Wellness Committee hosted a Staff Bingo Night on Monday, November 3rd. Snacks and prizes were provided and it was a fun get together! Thank you!

**Conferences:** We had conferences on Nov. 6th and 7th. They went very well! I'm waiting for teachers to report on parent attendance. :)

We also were very fortunate to have a wonderful PTC who provided turnovers for staff breakfast. Thank you!

**Thanksgiving Feast:** MHES's annual Thanksgiving Feast will be November 20th during K-3 student lunches. Tickets sold during conferences.

**Safety:**
We had our Earthquake Drill on October 16th at 10:16am and our Fire Drill on October 16th at 10:17am.
