

Agenda Item C - Curriculum Spotlight

Background

Ricky Stephens will make a report to the board on the history and current status of the Mineola Learning Center. The report will include data regarding graduates from previous years and the number of anticipated graduates during the 2012-13 school year. The data will also include information about students graduating in less than four years and any data that is available on the status of students in post graduate education or employment after graduation. The presentation will include current guidelines for admission and recommendations currently being implemented to ensure students are meeting career and college ready graduation standards.
