The PTO Basketball Tournament was bigger and better than ever! The kids had a great time playing and with the hard work of so many volunteers, \$6,759.48 was raised for our PTO.

Our Hoops for Heart event was also a great success! Students raised over \$5,300 in donations for the Tomlinson family to help with Ashlynn's medical expenses. The students showed off their fabulous hula-hooping skills and techniques during their P.E. times on February 27th and March 4th. The kindness and generosity of the families and community members in Sunray is amazing!
