Subject: 2010-2011 District and Campus Improvement Plans Related Page(s)

Action

BACKGROUND INFORMATION: Each district and campus in the state of Texas is required to develop and submit to the board of trustees each year a district or campus improvement plan. These plans are to be used to guide the district and campus during the school year. There are many things required, by statute, to be in the plans, such as drug and violence prevention, at risk strategies, federal and state budgets, Academic Excellence Indicator System (AEIS) items, gifted and talented, and staff development. The District Education Improvement Council and the Building Leadership Teams develop the plans each year. These district and campus improvement plans for 2010-2011 are located on the Internet at <http://dci.beevilleisd.net/DIP%20CIP%202010%202011.htm>. (Please note there is no www.) If you want a paper copy of these documents, please contact Nancy Jones.
