## Your Delta Dental of Illinois Dental Plan Proposal

Delta Dental of Illinois is pleased to present its dental renewal for Delta Dental PPO Plus Premier/Delta Dental PPO and DeltaCare network services and administration to MERIDIAN C.U.S.D. #223.

Delta Dental of Illinois' renewal includes:

- MERIDIAN C.U.S.D. #223's current plan design(s) and proposed new plan design, if applicable.
- Claims/premium experience
- Renewal claim calculation
- Proposed renewal rates/fees. Please note: we require a signature and notification returned to confirm you agree to the proposed rates/fees. If we do not receive notification from you at least 30 days prior to your renewal date, we will assume you agree to the proposed rates/fees and renew.

**One good plan deserves another.** Groups can receive a discount of 2% on their dental plan rate by adding a qualifying DeltaVision®\* group product to a Delta Dental of Illinois dental plan. DeltaVision is offered in association with EyeMed Vision Care networks. Our vision plans offer quality coverage, single-site administration, larger networks, more benefits and a better member experience. We can provide a DeltaVision quote upon your request.

**Smart option for non-benefit eligible employees.** Delta Dental of Illinois strives to help all of your employees as healthy as possible. Individuals with dental insurance go to the dentist more than those without to get the oral health care services they need. Consider our dental plans for Illinois individuals and families for your non-benefit eligible employees. Please see the enclosed brochure or visit [deltadentalil.me](http://deltadentalil.me) for more details on our individual product offerings.

### Delta Dental of Illinois and MERIDIAN C.U.S.D. #223: A Smart Partnership

Since 1967, Delta Dental of Illinois has been providing dental benefits for Illinois-based groups and their members nationwide – while helping to control costs and improve access to dental care – as part of our overall commitment to improving the oral health of those we serve.

We are pleased to partner with you to offer:

#### Larger Networks and Better Access

Nearly 80 percent of dentists nationwide participate in our networks (75% of Illinois dentists participate). Our Delta Dental PPO network provides more savings, better discounts and higher network usage than other carriers. The Delta Dental PPO network delivers the industry's best effective discount – averaging 22.4 percent nationally. Nearly 85 percent of our members use in-network dentists, which means cost savings to our clients and members, as well as network protections. We manage and own our dental network, which helps ensure quality and recruitment goals are met.

Acting as a safety net, our Delta Dental Premier network works alongside our Delta Dental PPO network. The network combination of Delta Dental PPO Plus Premier offers members additional network protections, savings and choice for those who do not have access to or choose not to visit PPO dentists; however, members will save the most with Delta Dental PPO network dentists.

## Local, Single-Site Client Service and Administration

We work hard to deliver exceptional service from our Naperville, Illinois based service center. All administrative services – customer service, claims processing, underwriting, billing, network recruiting and management, enrollment, sales and account service – are conducted from one location, making for proactive issue resolution and smooth client administration.

The benefits of single-site administration coupled with our knowledgeable team of account managers ensure a seamless implementation and hassle-free ongoing account managing and administration.

## Experienced Account Management

## Smart Resources

Our online member and group tools provide secure access for members and group administrators to view and manage plan information. We offer a comprehensive wellness program for groups which includes a variety of employee wellness materials, including a cost estimator, risk assessment tool and oral health information and tips. Plus, we offer comprehensive management reporting to help manage dental benefits and costs.

Delta Dental of Illinois' mission includes improving the oral health of the communities we serve. The Delta Dental of Illinois Foundation acts as the 501(c)3 charitable arm of Delta Dental of Illinois and works to improve oral health by providing oral health education and increasing access to dental care. Through its Land of Smiles program (offered free to Illinois elementary schools), Dentist by 1, and Community Grants and Wisdom Tooth Award Programs, the Foundation has helped advance oral health and impacted thousands.

## We Care

Thank you for choosing Delta Dental of Illinois for your dental benefit needs. The Delta Dental of Illinois team truly values your business and hopes to provide your employees with dental benefits for many years to come. We are dedicated to providing your employees with the coverage they need to maintain good oral health, and we are committed to delivering excellent customer service and a hassle-free experience.

Sincerely,
