Community Schools Grant Update

Funding for the Community Schools Grant has been fully restored. This means that we will have our full award amount for the next three years as originally promised.

Donations to Trojan Connection

On December 14, 2025
members of the Country
Kids

4-H Club brought non-perishable foods and toiletries to the Trojan Connection as part of their community service project. It was a great opportunity to share with members of the community about the pantry and the increase in demand we continue to see each week.

On December 18, 2025
Trojan Connection
received a half semi-truck load of food from the Church of Jesus Christ of Latter-Day Saints. The semi was split with the Marsing HUB and was able to fill our new shed!
This donation will support many local families!

Trojan Tots Christmas Festivities

Our 3-year-old class had a Christmas program on December 16, 2025. They did a fantastic job learning the songs and performing for friends and family!

The 4-year-old class had a Christmas Bingo Brunch on December 18, 2025. All the families enjoyed getting to visit, eat, and play bingo for books. Santa even made a surprise visit!
