

Date of Board Meeting: September 19, 2023

Subject: Cosmetology Course Fee

Recommendation: Approve New Fee on Cosmetology Course, Effective Spring 2024

Background and Rationale:

WCJC offers Cosmetology courses on both the Wharton and Richmond campuses. The request is to add a Cosmetology course fee of \$40 to CMSE 2401 The Principles of Hair Coloring and Related Theory. Students practice multiple skills on manikins before performing techniques on salon customers. The cost of instructional materials continues to increase. To somewhat offset the cost of instructional supplies, we request adding a course fee to CMSE 2401, which is one of 11 courses in the program. The course fee would be effective in the spring 2024 semester.

Cost and Budgetary Support: No cost; \$3200 fee revenue (40 students x 2 campuses x \$40 = \$3200)

Strategic Priority Alignment: Student Success Community Impact
