720 West Chisholm Suite 7
Alpena, Michigan 49707

Regarding, Earl Martin, Manager, Alpena County Beaver Lake Campground

From, John and Carol Buckholz, First full season campers

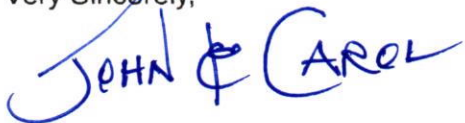

Carol and I write to thank you for the opportunity in providing the most enjoyable campground we have yet to be a part of in our many years of camping.

In particular, Earl Martin is making our summer experience far beyond our expectations. Through his long days of work, all the facilities are always immaculate. He sees to safety first. Yet, his special gift to provide a joyful and fun experience for children, parents, and grandparents is a quality few individuals are capable of giving.

The waterfront setting of the campground is an asset to our camping experience.

We think more importantly, Earl provides the leadership for an unequaled camping experience.

Very Sincerely,

John and Carol Buckholz
